Dear Valued Client, Co-Advisor, Friend:

Prior to Governor Tom Wolfe ordering that all non-life-sustaining businesses close their physical locations, we prepared our staff to work from home. While this order is in effect, we continue to work and serve our clients.

You can reach staff by either calling into the office (610) 435-9577 and dialing “5” to reach the phone directory by name or using an e-mail address listed below. In some cases, phone calls will be routed directly to the staff member’s cell phone. In others, please leave a message and they will be returned as soon as possible. If you have difficulty reaching any staff member, feel free to reach out to me personally.

During these unprecedented times, we stand ready to provide the best service possible for you. Thank you for putting your trust in us.
